Dear Gopal:

It is with great pleasure that we confirm that you have earned the designation of “***Dean’s Honor Roll***” for the 2022 Fall Semester. This designation is reserved only for those students who achieve a GPA of 3.75 or better and is particularly noteworthy considering the rigorous and demanding nature of your engineering curriculum.

In recognition of your superior academic achievement, you will receive a certificate indicating that you have met the requirements for ***Dean’s Honor Roll***.

**The certificate will be sent in a separate email.** The College of Engineering is pleased to congratulate you on this outstanding academic achievement and wishes your continued success in the upcoming semesters.

Sincerely,

Harry A. Hogan, Ph.D., P.E.  
Senior Associate Dean  
College of Engineering
